Ø 26cm	7,6L	2,7

These robust Smeg Casserole Pans are a must for lovers of one-pot recipes. Suitable to use on your cooktop, in the oven and beautiful enough for serving at the table, these pans offer maximum versatility and practicality. Complete with a lid, they can be used for making all kinds of delicious risottos, slow-cooked stews and soups, casseroles, pot roasts and more.

DEEP PAN

DESIGN & FUNCTIONALITY

This deep pan features low sloped sides that flare outwards, a wide flat-bottomed base, two ergonomically designed stainless steel handles for easy handling and, a tempered glass lid with a stainless steel knob.

SPECIAL FEATURES & BENEFITS

Triple non-stick coating (PTFE-based and FREE from nickel, heavy metals and PFOA) • Riveted stainless steel handles • Flat tempered glass lid with steam vent, stainless steel handle and rim • Oven safe up to 250° (excluding grill) • Cold forged aluminium body with highly conductive, extra-thick 4.5mm patented stainless steel base for quick and even heat distribution • **Compatible with all cooktops including gas, induction, ceramic glass and electric hobs** • Dishwasher safe (washing by hand is however recommended for optimum care).

Smeg's Deep Pan, complete with a glass lid, is easily one of the most versatile pans to have in the kitchen. Also known as a deep skillet or sauté pan, it's perfect for braising meat and vegetables, preparing creamy risottos and curries and cooking up anything from burger patties to chops, farmhouse breakfasts and more.

This versatile Smeg Saucepan complete with a tempered glass lid is ideal for cooking a variety of smaller dishes from pastas, delicate compotes or curds to warming up soups and prepping sauces.

SAUCE PAN

DESIGN & FUNCTIONALITY

With high, straight sides, the saucepan is perfect for heating or preparing foods with a high liquid content. The flat-bottomed base ensures even heat distribution while the ergonomically designed stainless steel handle provides a comfortable grip and, a tempered glass lid with a stainless steel knob to allow for monitoring of food while cooking.

SPECIAL FEATURES & BENEFITS

Triple non-stick coating (PTFE-based and FREE from nickel, heavy metals and PFOA) • Riveted stainless steel handle • Flat tempered glass lid with steam vent, stainless steel handle and rim • Oven safe up to 250°C MAX (EXCLUDING GRILL) • Cold forged aluminium body with highly conductive, extra-thick 4.5mm patented stainless steel base for quick and even heat distribution • **Compatible with all cooktops including gas, induction, ceramic glass and electric hobs** • Dishwasher safe (washing by hand is however recommended for optimum care).
